Dear Donor,

Thank you for your generous donation. Wedding, bridesmaid and other formal dresses and materials will be given to our volunteer seamstresses and recreated into burial garments for children who are stillborn or miscarried. It is so comforting to know that children who leave earth too soon will be buried in the finest material from dresses that knew so much love. Thank you for being part of it all.

Please consider the top half of this document a receipt for your donation.

Description of Donated item(s) _____

Donor understands that all dress donations are final and remain the property of Rest in His Arms Angel Gowns. No finished angel gowns nor any part of a donated dress can be returned. We accept clean wedding and formal dresses that are white/cream/silver and pastel colors that are made from bridal satin, silk, or heavyweight cotton or blends. Please remove dresses from large preservation boxes and cut out and discard the netting from the underside. Attach this half of the form to the dress with a safety pin. Then roll/fold the dress to mail or drop off to Rest in His Arms Angel Gowns, 1016 Woodland Drive, Wheeling, IL 60090

Note: Not all dresses can be used for angel gowns but we will certainly try. If the dress is discolored/stained and unable to be cleaned, if it has dry rot, mold or mildew, if it retains a strong odor such as from pets, mothballs, or smoke, or if the dress is made from a stretchy or jersey material or lightweight/see-through material, we may not be able to use it although in some cases we are able to use the lace and embellishments even if we cannot use the material itself.

Our seamstresses are all volunteers so it can take from 12-36 months before dresses are converted into angel gowns.
